

SERVICE YOUR BAREISS INSTRUMENTS WITH FASTER TURNAROUND TIME AT A SPECIFIED PRICE.

The Bareiss Service Package in 3 Steps.

bareiss

THE KEY BENEFITS:

With a **specified service rate**, you can be worry-free that the costs will always stay under your budget.

It is a real calibration! Not only we validate, we also fine-tune all mechanical settings of your Bareiss instruments.

We understand your time is precious, we deliver back your serviced instrument within 48 hrs on request.

As an instrument manufacturer, we provide one-stop service solution to adress all your needs.
